

Scorpio

Scorpio is *passionate and loyal*. Their soul shines brightest for authentic emotion and genuine love. Energized by their *deep intuition*, those born under this sign are in ultimate control of their own destiny.

They're *fearless and complex*, willing to move mountains for the ones they love and to get where they need to go. Ruled by the water element and Pluto, Scorpio is intuitive and sensitive, while being a *powerhouse* of control and mystery.
