

# Sagittarius

Sagittarius is *adventurous and confident*. Those born under this sign are fueled by the thrill of the chase, and sustained by incredible positivity. Ruled by Jupiter, the largest planet in our solar system, Sagittarius *lives life boldly* with a free-spirit and optimistic outlook.

The flame of this fire sign only *grows brighter* with each new experience and every dream realized. Their light will never dim - get close and you'll *feel the heat*.
